

Corporate Policy & Employee Handbook

This handbook defines organizational standards, employee expectations, operational procedures, and workplace policies applicable across all departments. Employees are expected to comply with these guidelines to ensure a safe, productive, and collaborative work environment.

- Maintain professionalism and ethical behavior in all communications.
- Protect confidential company and client information.
- Follow attendance and leave procedures.
- Comply with IT security and data protection standards.
- Participate in employee development and review programs.

Human Resources Policies

1. Recruitment and Onboarding

- All new employees must complete onboarding documentation within the first week of employment.
- Background verification may be conducted for applicable positions.
- Employees are required to attend mandatory orientation sessions.
- Access credentials and company devices are issued after onboarding approval.

2. Attendance and Work Schedule

- Standard office hours are 9:00 AM to 6:00 PM.
- Employees working remotely must remain available during business hours.
- Managers should be informed in advance regarding planned absences.
- Repeated attendance violations may result in disciplinary review.

3. Leave Management

- Annual paid leave is granted based on employment level and tenure.
- Sick leave requests may require medical certification.
- Emergency leave requests are reviewed by the HR department.
- Unused leave balances are managed according to company policy.

Employee Role Matrix

Department	Role	Experience	Review Frequency
Engineering	Software Engineer	1-3 Years	Quarterly
Engineering	Senior Engineer	3-6 Years	Bi-Annual
Operations	Operations Analyst	0-2 Years	Quarterly
HR	HR Executive	2-4 Years	Bi-Annual
Management	Team Lead	5+ Years	Bi-Annual

Information Security & Compliance

1. Device Usage Policy

- Company-issued devices must only be used for authorized business purposes.
- Employees are prohibited from installing unauthorized applications.
- Passwords should be updated regularly and stored securely.
- Lost or stolen devices must be reported within 24 hours.

2. Data Protection Standards

- Sensitive data must be encrypted during storage and transmission.
- Employees should follow secure file-sharing procedures.
- Customer information may only be accessed by authorized personnel.
- All data handling practices must comply with applicable regulations.

3. Workplace Ethics

- Employees must avoid conflicts of interest.
- Gifts or incentives from vendors require management approval.
- Professional conduct is expected during client interactions.
- Any policy violations should be reported through official channels.

4. Performance and Career Development

- Employees participate in quarterly performance reviews.
- Career progression depends on performance metrics and leadership contributions.
- Managers may recommend employees for internal training programs.
- Promotion eligibility is reviewed based on business requirements and evaluation results.

For questions regarding any policy included in this handbook, employees should contact the Human Resources or Compliance department. Updated versions of this document may be distributed periodically to reflect organizational or regulatory changes.
